Here at Portable Restroom Trailers, our goal is to show businesses how easy and affordable it can be to upgrade your outdoor restrooms. We believe in providing your customers with the best experience possible. Restrooms play a huge part in that experience.

We realize that many companies believe that porta potties are the most cost-friendly option. They think that a high-quality restroom trailer is simply out of the budget. Well it's time to bust that myth! An elegant restroom trailer can be affordable for businesses both small and large, and it provides your guests with the high-class experience your brand is known for.

Meet the Affordable Advantage Series, a new signature line of restroom trailers designed to combine cost-friendly prices and quality workmanship. This new line is changing the industry, bringing attention to the fact that restroom trailers are accessible for all businesses and budgets.

If you're looking for an economical restroom trailer with uncompromised quality, the Affordable Advantage series is the perfect fit for you.

True to its name, this low-cost restroom trailer does not sacrifice design, ensuring that you get the best possible quality for the lowest possible price.

Like all of our restroom trailers, this series is designed for climate control with insulated walls and ceiling and air conditioning and heat options. When entering an Affordable Advantage bathroom, you'll find private suites for both men and women. Surfaces are smooth and elegant with designer fiberglass for easy maintenance. Paired with a sink vanity and fully contained hot water hand washing stations, this full-service restroom option elevates your guest experience.

The Affordable Advantage Series comes in both a 2 and 3 station floor plan and is in stock and ready to ship within 24 hours. The 10 year warranty is backed from Hitch to Bumper and free shipping is included up to 2000 miles.

These are a perfect solution for a wide variety of industries like parks, schools, construction sites, casual venues, oil plants, and more. Free shipping is also available in selected areas.

No more excuses: it's time to elevate the portable restroom experience with the Affordable Advantage Series!

=====

When catering to a high-end crowd, few things are more important than ambiance. As the company hosting these elegant clients or guests, it is your job to create that first class experience and maintain it throughout your venue.

This experience should not end at the restroom. At Portable Restroom Trailers, we aim to design a restroom option for every need, and we are proud to grow our collection of luxury bathroom trailers.

Surprise your high-end guests with the brand new Island Series! Designed with the best materials and with a vacation-like experience in mind, this new collection of portable restrooms has been designed for companies like yours that prioritize ambiance.

For those who manage black tie events, host corporate meetings, see VIP clients, and more, the Island Series is designed just for you.

Make elegance your priority with new exterior colors and interior accents. We accommodate the size of your business with an entire fleet ranging from 2 to 12 stations, and also prioritize your client's needs with ADA-compliant options.

When entering the Island Series Suites, you'll find nothing but elegance and high design. Featuring new industry colors, blue lagoon and palm green, this design aims to transport your guests to a place of peace, serenity, and comfort inspired by an island getaway.

Ensure guest comfort with climate controlling features like insulated walls and ceiling, and air conditioning and heat strips for ultimate comfort.

Overall, the Island Series is designed with an upscale atmosphere in mind. Leave a lasting impression that compliments your company's elegant and premiere brand.
